Dear Ms. Sugarman,

In response to your letter dated April 9, 2002, we are providing the following information. We have researched each contribution on the list you included to determine the status of the redesignation/retribution requests. Below is an itemization of the names on your list, in the same order as you gave them, along with explanations.

Please note that some of the redesignation/retribution forms were mailed to contributors in 2001. These forms had the year "2001" preprinted on the signature line. Some of our contributors returned the forms in 2002 and failed to change the year. The date received stamp indicates the actual date the documents were received by the committee.
